

Your essential
Christmas shopping list of
Cruelty Free companies 2009

In March 2013, the EU will ban cosmetics containing animal tested ingredients. Until then testing continues elsewhere in the world, for cosmetic products made and sold in Europe.

Please use this leaflet when you shop this Christmas and enjoy a CRUELTY FREE festive holiday

Cruelty free presents for all the family

Each of the compassionate companies on these shopping lists are cruelty free and endorsed by Naturewatch

Many cruelty free companies provide mail order and internet shopping, so you can order from the comfort of your home and have your Christmas shopping delivered to your door. With cruelty free gift packs to suit every pocket, whether it's for Him or Her, or "your little ones," there are cruelty free gift options for everyone:
